#178HC

← Parking Lot →

Each individual garden plots measure approximately 20'x25' (Plot #178 accessible is a smaller raised bed)

Parking:

- Parking is allowed in the parking lot area only. Do not park in front of the dumpster.
- Do not drive into the plot area. .
- Driving into the park area is a violation of Section 14-53 Subsection (b) which imposes a \$200 fine.

Water:

- There are six spigots provided between rows 5 and 6, left to right.
- Gardeners must provide their own hoses, but may not leave them in the pathways. Do not leave your hoses connected to the water sources or strung along the pathways. This creates a safety hazard.

Trash Barrels/Dumpster:

- There are several barrels set throughout the garden plot area. These barrels are for plant material only.
- These barrels are picked up on a regular basis by the City of Rockville. There will be times when the barrels are full. When the barrels are full, feel free to relocate a barrel from a different part of the plot area or take your items to the dumpster located in the parking lot.
- DO NOT put bricks, rocks, logs, large sticks, heavy dirt clumps or other debris in the trash barrels or the dumpster.

Mulch/Wood Chips

- A mulch pile near the garden area will be provided which gardeners can access throughout the season.
- There is not set schedule for restocking the mulch, but as soon as the pile appears, gardeners may help themselves. The mulch is to be used in the garden plot area, pathways and around water spigots.

CITY OF ROCKVILLE - DEPARTMENT OF RECREATION & PARKS
WOOTTONS MILL GARDEN PLOT PROGRAM – Rules and Guidelines 2016

- Each plot will be numbered with a small utility flag. If you plant in an incorrect plot, you must move to your assigned plot and replant.
- This is not a year-round garden program. Only annual plants are allowed, no perennial plants. All plant material must be removed at the end of season. Tall plants are not permitted in areas that will shade neighboring plots. Do not allow your plants to grow on fences between plots or out into the walkways between plots.
- If, at any time, you are unable to maintain your garden for any reason, you must return your plot number to the office. Doing so in a timely manner, will enable us to find another gardener to take over the plot before it becomes a problem. Plots not tended may be revoked at any time without refund.
- Weed Control: Ground cover such as black cloth or heavy dark plastic is highly suggested to assist in maintaining weed control. The ground cover must be secured to the earth with garden staples or a similar method. Do not use large rocks, bricks or large sticks. Newspaper ground cover is strictly prohibited. Remember whatever you bring into your plot must be removed at the end of the program.
- Be vigilant in keeping weeds pulled from the start, as it will make it easier to maintain throughout the entire garden season.
- Weeds and Plants: Be careful with your plot borders; you need to be sure that all weeds along your border are kept low. Do not allow your weeds to interfere with your neighboring plots. Do not plant items that will creep up the fence and block sun from neighboring plots. Do not plant tall plants along the edges of your lots. Sunflowers, corn and other tall plants need to be planted in the center of your plot. If you want to plant a lot of sunflower or corn, there are end plots available for that purpose. Do not place vine plants along the outer edges of your plots; they will interfere with neighboring plots. You will be asked to remove any plant that grows into a neighboring plot.
- Fencing: A high fence is recommended to keep deer and other animals out of your garden. If deer fencing is used above 3ft from the ground, City of Rockville Animal Control officers request that the mesh be at least ¾” square in diameter or more. Metal and plastic fencing may be used close to the ground.
- Watering: You must be present when watering your garden. Sprinkler systems are not allowed. No overnight water is allowed. All gardeners should have a splitter to attach to the water faucet. This will enable another gardener to water at the same time. If someone is waiting to use the faucet and you do not have a splitter, limit your water usage to 15 minutes.
- Chemicals: Use of chemicals/weed killers is allowed, but extreme caution is requested regarding neighboring plots.
- Gardening at your own risk. The City of Rockville does not assume responsibility for any loss or damage to personal property, plants or produce at the garden plot area. Should you observe illegal activities, theft, malicious damage, etc., please contact the City of Rockville Police at 240-314-8900.

City of Rockville – Department of Recreation and Parks

2016 Garden Plot Registration Form – Registration Begins February 2nd.

Rockville Civic Center Park

240-314-8660 Phone

240-314-8669 Fax

Scan/E-mail: nbelice@rockvillemd.gov

To register for a garden plot, please complete this form. You may stop by the Rockville Civic Center Park-Glenview Mansion office located at the above address to select your garden plot from the remaining, available plots. You may also call the phone number listed above to select from remaining plots. The gardening season runs April 1, 2016 through November 13, 2016.

If you would like to pay by check, please make check payable to the *City of Rockville*. If you would like to pay by *MasterCard* or *Visa*, please fill out the bottom portion of this form with the appropriate information and signature prior to visiting the Glenview Mansion office.

If you cancel your registration any time after the registration process is complete, no refunds will issued.

Fax to: 240-314-8669 (call 240-314-8660 to confirm receipt or e-mail nbelice@rockvillemd.gov)

Mail to: Rockville Civic Center
603 Edmonston Drive
Rockville, MD 20851

☐ Non-Rockville Residents \$80 per plot

☐ Rockville City Residents \$55 per plot*

*Proof of residency required.- submit a copy of your current State of MD driver's license, a copy of your City of Rockville water bill or a copy of your current lease/mortgage statement at your City of Rockville address.

Note: not all "Rockville" mailing addresses qualify for the resident rate. Individuals living within the incorporated taxed district of the City of Rockville limits pay City of Rockville taxes, in addition to Montgomery County taxes, trash services are provided by the City of Rockville, water services are provided by City of Rockville (not WSSC) and the street name signs within the City of Rockville are blue and white. If you are unsure whether you live in the City of Rockville limits, call the main number and a staff member can look up your street number and name to determine if you are within the City limits. You will be charged according to the location of your street address. If your address is outside of the City limits, the \$80 non-resident fee will apply.
